

Learning the Rosary Craft!

What you will need:

- scissors
- glue
- 3 pages printed out
- markers, crayons or pencil crayons

Step 1- Print out this beautiful image of [The Virgin Mary Around the World from Shining Light Dolls](#)- copy the image and paste it into a word document then print it centered and at the top of your page.

Step 2 - Select [an image of Mary](#) that you would like to use for the bottom portion of your craft – We used Our Lady of China but there are so many other beautiful options to use from Shining Light Dolls too. Again using word you want to paste or insert the image. I used four Mary's per a page. So you could even choose a different image of Mary for each child.

Step 3 - Print this cute [Rosary Page](#) from Pinterest or for the full document visit [Teachers pay Teachers](#). I printed two per a page.

Step 4 – Cut the sheets and place them in each child’s spot so that each child has one of each sheet.

Step 5 – Explain the feast of the rosary, talk about the Mary that you selected to use and then discuss the rosary asking questions as you go.

Step 6 -

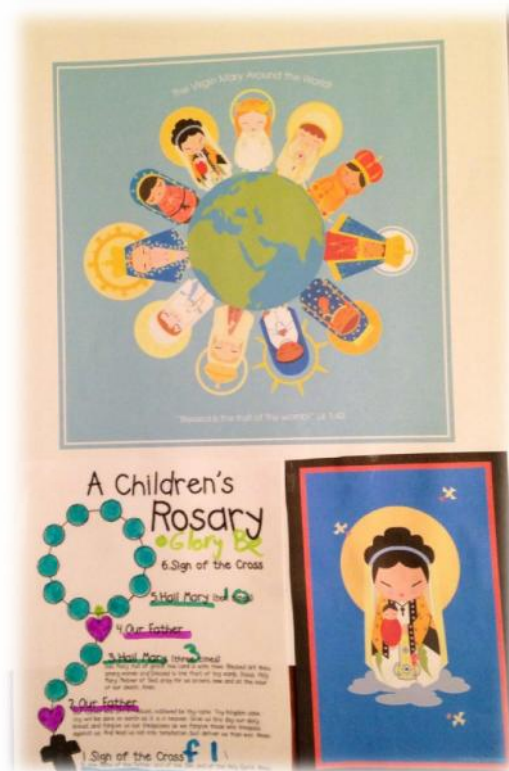

A) Explain the Sign of the cross, have your child colour it and underline the words the Sign of the Cross in the same colour.

B) Explain when you pray the Our Father – have your child select a new colour and colour the two hearts in this colour and then underline the words Our Father in this same colour.

C) Explain when you pray the Hail Mary- have your child select a new colour and colour the Hail Mary Beads in this colour and then underline the words Hail Mary in this same colour (I also wrote 3 & 10 to let them know the number of times it is said).

D) Explain when you pray the Glory Be- have your child select a new colour and draw a circle to show when this is done. Write the words Glory Be in this same colour or write them in Black and underline them in the colour if you prefer;)

Step 7 – Glue the Cute Craft Sheet and Mary image below the Image of Our Lady from Around the World.

If you have time pray a decade or the rosary with your child now to reinforce their learning!
